How to Play

Christmas Memory Game

HOW TO PLAY

1. Print both card pages (24 cards, 12 pairs) and the card backs if you like. Cut along the edges.
2. Mix the cards and lay them face down in rows.
3. Take turns turning over two cards. If they match, keep the pair and go again. If not, turn them back over.
4. When all the pairs are found, the player with the most pairs wins.

Tip for toddlers: start with 4 or 5 pairs face up and play “find the match” first.
